

# Forget Me Not

## A Memorial Garden for Horton Cemetery

On World Mental Health Day, we will bring recognition and dignity to pauper patients abandoned on derelict land by unveiling over **1500 ceramic flowers painted by the public**. This crowd-sourced memorial garden was funded by *Historic England* and organised by *Friends of Horton Cemetery*.

This free, outdoor installation will be hosted in the grounds of The Horton Arts Centre and open until Remembrance Day.

*The memorial garden will be unveiled with a creative celebration on **Tuesday 10 October 2023** (details overleaf).*
